

## How to View Determination Letters in eQSuite®

If you would like to view the determination made on your Utilization Review, please go to the Letters tab in eQSuite® to see what was determined.

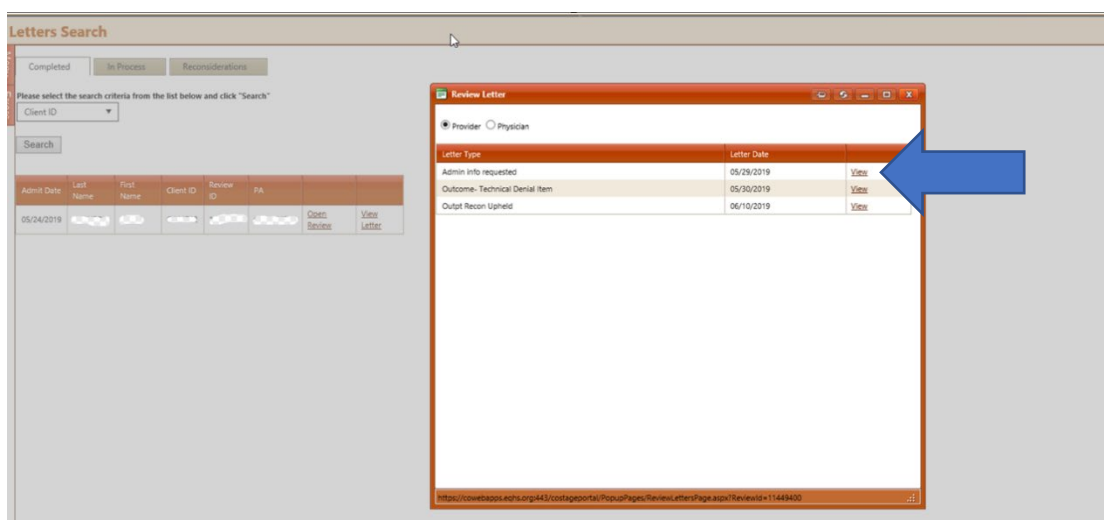

The Letters tab will then give you the option to look at Completed, In Process or Reconsiderations

- Under the “Completed” tab you will find a list of patients
- Find the patient you are needing and click on “View Letter”

Screen (below) will open and allow you to pick the letter type

- Click on “View” to view letter

Letters will not contain a PAR number until 24-48 hours until a PAR number has been obtained from DXC Technology.
