Select report I1 in the reports list

Specify Report Criteria

1. In the Client ID field, enter the Beneficiary ID of the client whose PAR status you'd like to check.
2. Select either All Dates to include all of the Beneficiary's PARs your medical group/practice ever submitted in eQSuite® or select Date Range to include only those PARs submitted within a specific date range;
3. Click Run Report (Note: You may need to disable your web browser's popup blocker)

The report will open in a separate tab of your web browser; a specific PAR's current status will be listed under the Record Status column.
